Join Mo Egger at the 2015 Taylor Huth Memorial Golf Tournament!

Mo Egger graduated from Scott High School in Taylor Mill, KY in 1995 and graduated from the University of Dayton in 1999. He has been rooting for Cincinnati teams as long as he can remember and believes he has the best job in the world being able to talk about them every day.

Mo began working for Clear Channel in 1997. In his free time he likes hitting up the Moon Deck at Great American Ballpark, trying to make people understand why he's a Bengals fan, and trying to convince to anyone who will listen that the Bearcats were cheated in 2006 and that Barry Larkin should be in the Hall of Fame.

The Epilepsy Foundation is excited to have Mo as our special guest this year!

Anyone for Golf?

The Taylor Huth Memorial Golf Tournament is an annual event that benefits the Epilepsy Foundation of Greater Cincinnati and Columbus and remembers the fun-loving spirit of Taylor Huth, who began having seizures in high school and died at an early age.

In spite of being challenged with epilepsy, Taylor was a good-natured young man who would do anything for anyone and was committed to life.

Join Taylor's family, friends and special guest Mo Egger in helping those who have epilepsy continue to live each moment to the fullest and celebrate Taylor's joy for life, friends and golf! A portion of the proceeds from this event benefit the Taylor Huth College Scholarship Program for young adults with epilepsy.
