

# The Update

May 2025

Team 1 in 26

To raise awareness of the fact that 1 in 26 people will be diagnosed with epilepsy sometime in their life, Epilepsy Alliance Ohio is proud to have partnered with the Flying Pig Marathon to bring this point home. At the marathon on May 4, which covers 26 miles throughout Cincinnati, a team of 26 runners who have epilepsy to each ran one mile. This was a powerful witness for our community to show everyone that epilepsy does not have to stand in the way of achieving dreams. Way to go Team 1 in 26!!

# Memorial Golf Tournament

TAYLOR HUTH SCHOLARSHIP FOUNDATION

Friday, June 13, 2025  
Vineyard Golf Course, Cincinnati, Ohio

The Taylor Huth Memorial Golf Tournament is an annual event that benefits Epilepsy Alliance Ohio and remembers the fun-loving spirit of Taylor Huth, who began having seizures in high school and died at an early age. In spite of being challenged with epilepsy, Taylor was a good-natured young man who would do anything for anyone and was committed to life.

Join Taylor's family and friends in helping those who have epilepsy continue to live each moment to the fullest and celebrate Taylor's joy for life, friends and golf! A portion of the proceeds from this event benefit the Taylor Huth College Scholarship Program for young adults with epilepsy.
