When your child needs a hospital, everything matters.™

Agenda

8:00 – 8:30AM | REGISTRATION & WELCOME

Registration and Continental Breakfast Kathy

Schrag, Executive Director, *Epilepsy Alliance Ohio*

8:30 AM 9:30 AM | GENERAL SESSION

What to Do When Medications Don't Work

Dr. Megan Fredwall, MD

Nationwide Children's Hospital

This presentation will review when anti-seizure medications are not sufficient, the next steps in evaluation, and the available treatment options, including diet, neuromodulation and resective surgery.

9:35 AM - 10:05 AM | Concurrent Session

Guardianship 101

Shauna Hill

*The Center for Family Safety and Healing
Nationwide Children's Hospital*

This seminar provides basic understanding of guardianship in Ohio. This includes the steps needed to be appointed guardian, the responsibilities and duties of the guardian and alternatives when guardianship isn't appropriate.

Functional Seizures

Dr. Dara Albert, DO, MEd

Nationwide Children's Hospital

Dr. Kristen Trott, PhD

Nationwide Children's Hospital

This presentation will discuss functional seizures, how they are diagnosed and treated, and the overlap with epilepsy.

10:10 AM– 10:40 AM | CONCURRENT SESSION

Are You Ready For It? Pediatric to Adult Epilepsy Transition

Dr. Jaime Twanow

Nationwide Children's Hospital

Dr. Nabil Khandker

Ohio State University

Transferring to an adult epilepsy provider can be a challenging and stressful time. With the right transition preparation, it can also be a time of empowerment and excitement.

SUDEP: What Parents Should Know

Dr. Purva R. Choudhari, MD

Nationwide Children's Hospital/Ohio Health

This presentation will summarize the current hypotheses for the pathophysiology of sudden unexpected death in epilepsy (SUDEP), risk factors for SUDEP, and potential mitigating strategies, including seizure monitoring devices.

10:40 AM – 10:55 AM | BREAK

10:55 AM– 11:25 AM | CONCURRENT SESSION

Beyond Milestones: Finding Balance Between Intervention and Everyday Joy

Dr. Mary Wojnarowski, PhD

Nationwide Children's Hospital

This session will focus on the need for caregivers to balance frequent therapies for children with epilepsy and developmental delays while also valuing connection, joy and family well-being.

Women's Issues in Epilepsy

Dr. Jaclyn Laine, DO

OhioHealth

This presentation will discuss the hormonal effects on epilepsy and the importance of epilepsy care in pregnancy. It will also highlight the need for individualized epilepsy care plans throughout the lifespan.

11:30 AM – 12:00PM | Q&A PANEL - OPEN FLOOR

12:00 PM | CONCLUSION

Conclusion, evaluations, door prizes
