## Warren County - Epilepsy Support Group

Epilepsy Alliance Ohio, in partnership with the City of Mason, Ohio, is pleased to announce the Warren County Epilepsy Support Group will now be held at the Mason Community Center, Senior Center, located at 6050 Mason-Montgomery Rd., Mason. This will begin Wednesday, March 11 and continue every 2<sup>nd</sup> Wednesday from 5:30 - 7:00 pm.

The purpose of any of our support groups is to come together to socialize, share tips, mutual concerns, common issues, challenges and successes with other members of the group. Information is shared and support is offered to help to meet the struggles faced by those dealing with epilepsy. It can be a real comfort to see that other people have concerns that are similar to yours, and that you are not alone.
